Smart PIR Motion Detection Get Real-Time Alerts That Really Matter

The built-in PIR motion sensor offers almost no false alarms caused by fluttering moths or flying twigs. And by setting up [motion sensitivity](#) and [working time](#), you can make the cam smarter to catch what you really care about. Apart from alerts, the strong siren sounds automatically for fortified security.

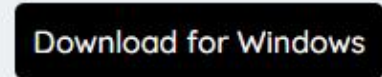

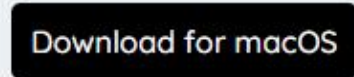

-  **Email**
Motion snapshots sent to you when there are motion events.
-  **Push notifications**
Alarms that matter sent right on your phone.
-  **Siren**
Powerfully loud siren will be triggered when motion is detected. You can also customize it with your own desired voice alert.

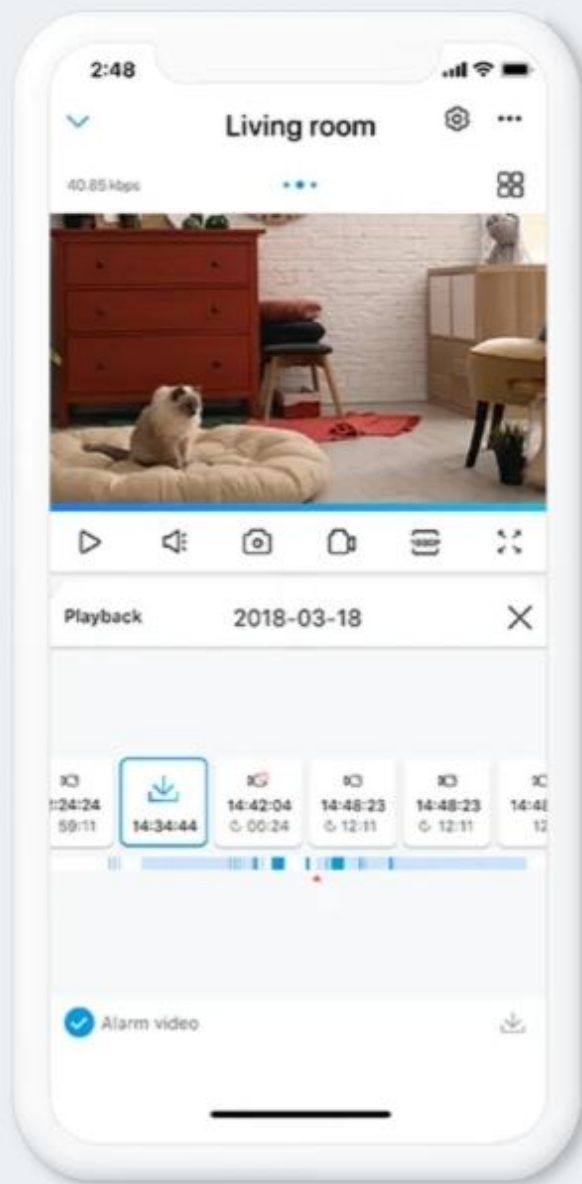

Live View and Two-Way Audio See, Hear, and Talk

Not only an extra eye for you but also an ear and a mouth. You can live stream your home or business, hear what's happening and talk to your kid, your staff, or the mailman with the built-in mic and speaker. Get involved even when you're not there.
